Rhetoric (Year 13) Destination Data - 2020/21

We are very proud of our boys who have completed their journey through Wimbledon College and have now moved on to new challenges. Below is a summary of what our boys have gone on to do. We are delighted to see so many boys get into their first choice universities including places at Oxbridge and Russel Group Universities. Our work around helping all boys to identify their career pathway has also helped some to gain apprenticeships or degree apprenticeships; these have been with TfL, in IT companies and in construction.
